Arizona is THE REPUBLICAN.

HURRY up the Sampling works. There refused. is plenty of ore in sight to keep them

move in the organization of a permanent Republican club. It is time to begin work for the coming campaign. STRICT discipline is necessary for the

maintenance of any military organization, and breaches of discipline or insubordination must be met with a heavy hand. Visir the Maricopa & Phoenix railroad

freight depot and see the tons of freight being hauled in there daily for shipment if you want to get an idea of the productiveness of the Salt River Valley. Cyclones and tornados, such as have

visited Iowa and Nebraska in the last few days, are unknown in Arizona. Emigrate, ye storm-beaten denizens of the Mississippi Valley. Come out into "God's country" and be happy.

Tave to the traditions of their party the Illinois Democrats oppose compulsory education laws, Education and

ness of the Salt River valley should read the record of shipments made by of our morning contemporary for the M. & P. railroad for the first four gotten their role of Democracy? months of the current year. A few other concerns of the same value to this offices of trust and responsibility." and Phonix would have that boom for degenerate brothers. In fact you have which all are waiting.

PROMPT action by Congress to meet never!

the exigencies of the case produced by the ruling of the Supreme Court in the 'Original Package' decision, was not nearly so necessary as is prompt action. now on amending the desert land law. West than is silver legislation.

WHEN an evening contemporary can produce any argument against, ordenial one holding an office by election of The Republican's charges against either itself or its particular friend Mr.

Drake, then The Republican may notice the Gazette attempting to put him in tangent, and never meet argument with contestant for "Its boss' " title. argument, or charges with denial. None of THE REPUBLICAN'S charges have been this "Misfit." denied, which is conclusive evidence that they are known to be true.

According to the opinion of Attorney-General Miller in the arid land case by citizens and the press of Arizona in almost every acre of government land in past years concerning Indian outrages Arizona is withdrawn from settlement. that the subject has become trite. But The hardship to the Territory by this our only hope of ever obtaining relief is reading of the law is incalculable and the by continually making our troubles reading of the law is incalculable and the immediate attention of Congress must be directed to the subject. Nearly all the tillable land in Arizona is susceptible of irrigation, and in fact it is only by irrigation that it is rendered productive. To allow the present law to stand would be to cause all the so-called desert land of Arizona to remain barren,

Such an answer as this does not deceive any one. Let the Citizen and its friends be honest in their conduct and comments and it will have no occasion to attact individuals by reason of anything that may appear in The Republican will be only too glad to join in bringing about the harmony that so many talk about, but so few attempt to carry out. Try it for awhile

THE ARIZONA REPUBLICAN.

The Atlantic and Pacific railroad is chronically opposed to paying taxes, claiming that because the United States act grants it a right of way through the Territory free of tax, it is not required to pay any taxes for its line or other property within its right of way. This question has been decided against the company by the Territorial Supreme Daily, per week, by carrier 1.00

MUST PAY THEIR TAXES. The Atlantic and Pacific railroad is precautions were in his power to prevent this last murder? It is true Arizona owes General Miles a debt of gratitude for capturing Geronimo, shipping him out of the country and using his influence to prevent his return, but in the light of Mr. Hardie's death, our citizens have a right to complain that, owing to his supplineness, brought on by promotion, he has allowed a small band Court in several instances and one case of Indians to work their will during the

atically sent out petitions through the miles away. various counties through which it runs for the signatures of the people asking the Territorial Board of Equalization and the County Supervisors to make the assessment at the rate the The Republican believes in strictly one road offers to donate. If the road does not legally owe this tax, then why these petitions? Why attempt Preferred Locals 10 cents per line first to bring political influence to operate on A Disease Resulting in Weak Eyes, the Territorial Board, whose duty it is to fix the rate of valuation upon which the assessment is to be levied.

Governor Wolfley informs THE REPUB-LICAN that he offered to have an amicable case submitted and carried to the United THE best advertising medium in States Supreme Court that would speedily settle all questions involved, but the offer was unceremoniously

The action taken by Attorney-General Churchill is based upon the principle that the Board of County Supervisors LET the Republicans of Phonix have no power to accept or enter into a compromise, or in any way alter the assessed valuation established by the Territorial Board of Equalization, especially as relates to the Territorial taxes. If the various Boards of Supervisors could compromise in one case, then they compromise in one case, then they could do so equally as well in all cases.

The result would be that taxes would be unequally levied in the various throat; the breath becomes offensive and duliness, with slight frontal headaches, is exbe unequally levied in the various counties and thus defeat the very object attained by the law creating the Terriational transfer of the transfe torial Board of Equalization, which insures equal taxation throughout the Territory.

Territory in the stand he has Territory in the stand he has taken. If the Territory is entitled to taxes from the Atlantic prevent catarrh; but if the blood of the person is pure, nature's effort will remove the irritation and titled to taxes from the Atlantic prevent catarrh; but if the blood is impure it and Pacific railroad the road should be made to pay in full and not be allowed to take advantage of the impecuniosity will only make matters worse and usher in the stage of hawking. The disease then becomes copious and offensive, and if allowed to go unchecked by treatment, will extend by continuof the counties through which it runs, or by petitions for political effect obtain compromises in any shape or form. The fact that this road avoids a speedy enters the lungs of a catarrhal patient is, every Christian enlightenment are diametrically opposed to Democracy, hence it is to be expected that that party will be against the mental advancement of exemption from taxation.

The fact that this road avoids a speedy trial, as proposed by Governor Wolfley, shows conclusively that it has no confidence in the merit of its claim for made fit to impact healthy vigor in its unending elements. exemption from taxation.

ANYONE who doubts the productive- CAN IT MEAN MARCUS AURELIUS? Have the so-called Republican editors for relief.

city and valley as the M. & P. railroad McGinty and Churchill were not elected. that they could not be elected. No,

It is ble title (considering the source), with of even more importance to the Great any one else; but McGinty was not or could not be elected, therefore our shattered ideas.

Marcus Aurelius is the only Drake, then THE REPUBLICAN may notice the Gazette attempting to put him in it. Time is too valuable to waste on the wrong hole. "McGinty's Organ" people or newspapers that fly off at a waits with hat in hand to welcome a

By all means let us know the name of

The Late Indian Outrage.

[Tombstone Epitaph.] So much has been said and written desert land of Arizona to remain barren, when by just irrigation laws it can all be made as productive as is the section of the Salt River Valley now under water.

LATELY the Citizen published a "fake" telegram reflecting on certain Republican officials. The Republican charged the Citizen and certain of its backers with this fraud. Yesterday in reply the Citizen attacks Republicans generally, and the Governor in particular charging them with "the attempt to rule or wreek the Republican party in Arizona."

Such an answer as this does not deceive

carry out. Try it for awhile and see how it will work. If the Citizen will but be square-toed in its Republicanism and support the party and the party's representatives in office it will find Tar Republican marching in line with it every day in the year.

at San Carlss have insisted that no Indians were out, yet, when brought to face the last murder, and the forcible presenting of the case by the coroner's lury, General Miles admits that a party of Apaches have been at large for some time, and even goes so far as to name the different individuals composing the band. Being aware of these facts and

the company by the court in several instances and one case countly, per month, by mail to ally, three months, by mail to ally, six months, by mail to ally, one year, by mail to ally, one year, by mail to ally, year quarter to dealy, per year to dealy, per year to donate as a gift, taxes on a basis of one-half its assessed valuation. Some years ago, prior to the creation of the Territorial Board of Equalization, Apache county agreed to accept taxes as offered by the Atlanian troubles in the northern portion of the Territory, it is remote from the scene of Indian depredations and the maintenance of the mai contract was entered into at the rate proposed by the railroad company. After a year or two the company refused to pay as provided by this contract and the suit now pending in the Supreme Court resulted.

The Atlantic and Pacific has system—

depredations and the maintenance of troops there is a useless expense. But Tucson or Fort Huachuca are much better places for headquarters, Both places are in the heart of the country subject to outbreaks from San Carlos, and that is the place where the commander of the department should be to direct movements, and not six hundred miles away.

M. P. FREEMAN, - Cashier.

Arrived the other day from New York. His chum was on hand to greet him. At the hotel, while helping to unpack, he could not refrain from expressing his admiration for the beautiful silk and flannel shirts his friend had brought along. "Why don't they keep such goods here?" he re marked in an aggrieved tone. 'My dear fellow," his friend replied with a laugh, "these shirts were bought of L. Zeckendorf & Co., and I guess they still have a few of the same sort on hand." L. ZECKENDORF & CO.,
